

## Men's Club Information

- We play 24 Tuesday evenings starting at 5:30. These are 9 hole events with a shotgun start. Each week we make new teams of A-B-C-D players and play some type of handicapped game.
- The full schedule is posted to the golf course website: <https://www.west-chasegolf.com/> under the Men's Club drop down
- You do not have to show up every week. Teams change every event.
- Tuesdays are a pay as you go format. When you sign in you give the league \$10 and then pay your normal greens fees to the course.
- Additionally, we play 11 18-hole weekend events. For these events, Saturdays are a tee time start and Sundays a shotgun start. These events are also based on A-B-C-D team format playing handicapped games. We also have two pick partner events and a club championship. The partner must come from the league, if you cannot find a partner we will do our best to pair you up.
- The prize fund for the weekend events is covered by the league fee of \$225. If you are a member of West Chase, you will receive a \$30 discount. The difference is the handicap fee paid to GHIN. The handicap is included in the membership to West Chase
- We require an official handicap through the GHIN system. If you don't have one, we will get you set up with GHIN ID and get a handicap approximated until you have enough scores to generate an official handicap. We have a wide range of player skill levels. The average handicap is around 14 but we have players that range from +3 to -36 handicap. We try to make it fun for all.
- All prizes are West Chase credit. An account will be created at the pro shop for each player. Once a month the league credits these accounts with the players winnings. All earnings must be spent or merchandise ordered by Dec 31st. Winnings credit may be used for merchandise, food & beverage, golf instruction, or golf club repair services.
- We also have a point system to play in the year-end shootout event. Attendance and placing in each week's events will get you points. The top point getters play in a shoot-out event where players are eliminated after each hole and there is a cash prize for the top finishers.
- If this sounds like something you are interested in you can email the league at [mensclubwbc@gmail.com](mailto:mensclubwbc@gmail.com). If you have a GHIN ID we will need that or the email you use for GHIN, if not we will need an average score for 18 holes, address and phone number to get you signed up in the GHIN and Golf Genius systems.
- The league fee can be paid at the first event you play. If you can not join at the beginning of the league season you can still join at any time. The league fee will be prorated based on how many weekend events have occurred.
- If you have any more questions feel free to email the league with any questions.
- League members are also welcome to play in choose up events. These are non league events put together by the golf course. Once weather permits these are held any day there is no league or outing scheduled. The course will send out emails

regarding these events with the days and times. Depending on the number of people that play, the game is either a skin pot or a choose up. Choose up is a game where you just show up and play in a group. After the round is over two man teams are randomly drawn for a best ball net game. You are always welcome to play and not get in either choose up or skins game. These are very relaxed social games.
